The charge is so small and
the need for incurring it is so imperative
that it may perhaps be sanctioned, though
the financial condition of the District
Board is bad.

10/9/10

In a matter of vital importance like preventing
the pollution of drinking water, financial rules
perhaps have no place in for the prima facie public
good. The appointment of Ganesha may
therefore be sanctioned with the cost thereof
being, if possible met by reappropriation. It
is presumed that the water is necessary only
in times of scarcity - when procuring good water
is a matter of necessity & a permanent
fixtme or a matter of course
